

Introducing Safari Web!

To access Safari Web for the first time:

1. Point your browser to www.safari-ilwaco.org and the system will give you the home page of Safari Web.

The screenshot shows the Safari Association of Ilwaco website. At the top left is the Safari Web logo. To its right is the text "Safari Association of Ilwaco" and "A great place to live or visit!". On the top right, there is a "Member Access" section with an "Email" input field, a password field, and a blue arrow button. Below this is a "Forgot Password?" link. A red navigation bar contains the following links: MORE NEWS, MORE ALERTS, MORE EVENTS, DOCUMENTS, and SITES FOR SALE. The main content area is divided into three columns. The left column is titled "OUR TOP STORY....." and features a photo of two men in a room with many cable boxes. Below the photo is the headline "Even More Cable Boxes!" and a short paragraph. The middle column is titled "MORE NEWS ITEMS:" and lists three news items with "Full Story" links. The right column is titled "NEW LISTINGS" and lists several real estate listings with prices and brief descriptions. At the bottom, there are three red boxes: "COUNTDOWN TO THE NEXT MEETING" showing 29 days, 22 hours, 20 minutes, and 3 seconds; "ALERTS" with two items: "Water going off in Phase II" and "Lodge closed 6-13 thru 6-15"; and "UPCOMING EVENTS" with three items: "07/18/2016 10:00 AM Morning Coffee", "07/16/2016 1:00 PM Membership Meeting", and "07/11/2016 10:00 AM Morning Coffee".

2. In the upper right hand corner of the page, you will see two boxes under the words "Member Access". Enter your email address in the first one and your zip code in the second one and then click on the little blue & white arrow icon to the left. The system will respond with a page for you to establish your password.

Password Update Page

* means that the field is required

* Current Password:	<input type="text"/>
* Password you would like to use:	<input type="text"/>
* Retype New Password:	<input type="text"/>

Cancel

Save

3. Enter your zip code for the Current Password value. For the two new value fields, enter your new password in each. (This is to verify the password is not mistyped.) Then click the save button. If all is well, you will receive a message similar to the one below (Actual format may vary by operating system and browser).

This site says...

Your password has been updated. Your current session will end and you must now log in again.

OK

4. When you click the OK button, you will be taken back to the home screen. You can now log in using your email address and your new password.

Note: If you forget your password, click on the "Forgot Password" link and the system will give you the page to enter your email address and click "Send temporary password." The system will send you an email with a temporary password which you can use to log in. Once logged in, you can update your password by clicking on the words "change password" under the log in fields.
