

## MARCH 2025 NEWSLETTER

Hello fellow Safarians! We hope this finds you well and have survived the winter rain and snow on the peninsula. The month of March brings anticipated nice weather ahead.

**New PayHOA Implementation** - We are excited to announce a new software upgrade in progress, PayHOA. It will serve as an easy-to-use singular portal where members can conveniently make online payments for dues, access their payment history, view important documents, submit requests, and maintain their contact information.

More information to follow, including an anticipated date on when members can expect to access the program. It will not be available for the upcoming billing cycle for member payments as we are still working out details. In the meantime, you may receive an email from PayHOA, and this is part of our data input and testing process. If you see the Safari logo, rest assured it is not spam.

**Events in the Lodge** – If you have an activity in the lodge that you would be interested in coordinating such as a holiday potluck, please contact Kim Stevenson at 360-214-1483, or email at [kimsafari@outlook.com](mailto:kimsafari@outlook.com), and she would be happy to assist. An idea would be a St. Patrick's Day Potluck.

Currently, there is a monthly potluck and Brown Bag Bingo on the second Monday of every month.

**Site Reminders** – Please remember to maintain your site during the year (weeds, gutters, pressure washing, and propane tank and electrical stanchion painting upkeep).

**Board Positions** – There will be four positions up for election this year: President, Treasurer, Secretary, and Assistant Finance Director. Declarations of Candidacy must be submitted by July 5th. If you'd like to contribute your experience to Safari and you have been a member in good standing for one year, please don't hesitate to throw your hat into the voting pool! May the best candidate win!

That is all for now. If you ever have any questions or concerns, please call 360-355-9512, or email [safari3205@gmail.com](mailto:safari3205@gmail.com).

We hope to see many of you back in the park for the season, and as always, please look out for your neighbors.
